Dear Parent / Carer

CONSENT FORM FOR PHOTOGRAPHY AND THE USE OF IMAGES

During the course of your child's school life there may be opportunities to publicise some of the activities that your child is involved in. This may well involve filming or photographing children for use in the local media. As a school, we welcome these opportunities and hope that you do too. There may be occasions when we arrange photography for our own purposes, such as displays and school brochures.

Photography or filming will only take place with the permission of the Headteacher and under the supervision of a teacher. When filming or photography is carried out by the news media our younger students (Years 7 & 8) will only be named if there is a particular reason to do so e.g. they have won a prize. Home addresses will never be given out.

We believe that positive publicity benefits all involved with the School. Nevertheless, we will not involve your child without your consent. Could you please take a few minutes to fill in the form below? You may withdraw consent at any time. Images of your child held by the School can be viewed on request. Please return the completed form to your child's Form Tutor.
