

Curriculum Map 2023-24

Key stage 3 – Computing

At KS3 we will ensure all students develop a deeper understanding of the digital world that surrounds them.
Where does it come from? How does it work? And how can we use it in a safe and effective way to improve our lives?

Year 7 students will study:

- Introducing Computing
- Computer Systems
- Computational Thinking
- Networks and the Internet
- Programming
- Interactive PowerPoint Project

Year 8 students will study:

- Programming
- Emerging Technology
- Spreadsheets
- Networks and the Internet
- Computer Systems
- Application Development

Year 9 students will study:

- Programming
- Data Representation
- Computer Systems
- Networks and the Internet
- Computational Thinking
- Photograph Editing
- Impacts of Technology
- Web Development
